

## POSITION DESCRIPTION

**Position Title:** Specialty Nurse - Diabetes (Te Puke & Murupara)  
**Hours:** 8.30.am – 5.00pm Monday to Friday

### Position Purpose

The Specialty Nurse – Diabetes is responsible provision of community based diabetes management and education services to individuals and their whānau with diabetes related health issues.

Responsible to the Community Services Manager, this position will work from a variety of community locations including clinics, homes, Marae and Kohanga Reo and have extensive knowledge of the communities they work in. The nature of these interventions is continuous rather than episodic, in a wellness model of health that aims to reduce inequalities of health. The Diabetes Nurse will case manage clients enrolled with the service within the NKF community services team in collaboration with the GP Practice and external agencies. The role will also design and deliver IGT education courses, primarily for Māori whānau.

These services will be delivered in a way that is complimentary with the tikanga and kawa of whānau, hapū and iwi. Understanding of tikanga and te reo Māori would be an advantage for this role.

### Working Relationships

**Responsible to:** Community Service Manager

#### Functional Relationships

Internal: GP Clinic services team  
All Ngā Kākano services

External: BOPDHB  
Medical Suppliers  
Nursing Council of New Zealand
